### **PREMIER EXHIBITOR BANNER**

In the case of an animal selling during the show the owner at the time she was shown in her class is the one who receives the exhibitor points.

An award is presented to the exhibitor/owner (individual, partnership, or institution) having the highest number of points won in individual female classes by not more than 10 animals owned by the exhibitor. This does not limit the number of animals that may be shown.

In the case of jointly-owned animals, joint ownership is considered as one exhibitor. No part of the points awarded counts toward the individual score of any of the joint owners. Points are awarded on the following basis

	<u>1st</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>9</u>	<u>10th</u>
Sr. Females	20	18	16	14	12	10	8	6	4	2
Jr. Females	10	9	8	7	6	5	4	3	2	1

### **PREMIER BREEDER BANNER**

The Premier Breeder award is presented to the breeding unit (individual, partnership, or institution) having the highest number of points won in individual female classes with a maximum of 10 animals considered for award calculation. Animals used for the award calculation do not necessarily have to be owned by the winner. **Calculation of the Premier Breeder award is determined strictly by the prefix of the animal**, which can be identified on the Certificate of Registry. Please note: in the case of a within-herd family transfer with alphanumeric code, by utilization of the animal's prefix.

	<u>1st</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>9</u>	<u>10th</u>

**HEALTH REGULATIONS**

Animals showing signs of contagious disease or parasitic infections- eg. ringworm, IBR, lice- will not be allowed on the grounds.
